photograph made in London

From: *Danville Training
School for Nurses*
1894

To: *Lakeview College
of Nursing*
1994

Limited Edition

DEDICATION

As alumni members we want to dedicate this book to all nurses past, present, and future, and to our School of Nursing of which we are all so proud. We also want to extend our appreciation to the many devoted people who have contributed to our professional growth and development.

It is our hope that as you read through *100 Years of Caring* you will recall many happy and nostalgic moments.
