

Lakeview College of Nursing

The baccalaureate degree program in nursing at Lakeview College of Nursing is accredited by the Commission on Collegiate Nursing Education 655 K Street NW, Suite 750, Washington, DC 20001, 202-887-6791. <http://www.ccnaccreditation.org>

Please Note: Lakeview College of Nursing has sought information from other jurisdictions regarding licensure requirements, these requirements are subject to change. If you intend to seek licensure outside of Illinois, Lakeview College of Nursing recommends that you contact the appropriate state licensing agency to obtain the most up-to-date information.

Upon successful completion of the B.S.N. programs, a graduate will seek application for initial Registered Nurse (RN) licensure by examination. This process varies for each state and U.S. territory. Contact information (link or address and phone number) is provided in each state disclosure statement. Graduates requesting first time nursing licensure application must complete several steps. To begin the licensure application process, search the particular state board of nursing website for the application. Applications include some or all of the elements listed here:

- a. Verification of graduation or eligibility for graduation from an approved prelicensure RN nursing education program;
- b. Verification of registration to complete NCLEX-RN examination with Pearson Vue;
- c. Criminal background check;
- d. Social security number verification;
- e. Recent photo

All states require fees for licensure application. Fees vary by state and some states have first time license request fees waived. There is also a fee to apply for the NCLEX-RN examination via Pearson Vue. The responsibilities of a licensed nurse include knowledge of, and adherence to, the laws and rules which govern nursing as outlined in the nurse practice act and regulations. Review the nursing law and rules by locating your state nurse practice act and regulations.

Alabama
